We are proud of their achievements and grateful to our dedicated educators for their guidance and support

.PTA Activities: Fostering Parental Engagement and Celebrating Milestones

Our school has prioritized parent-teacher collaboration through regular PT meetings, held monthly and after every exam. These meetings provide a platform to discuss and evaluate the performance of students in both scholastic and co-scholastic areas, ensuring a holistic approach to their development.

To further strengthen the bond between school and families, we have extended special invitations to parents and grandparents for significant events such as School Foundation and more. This inclusive approach allows parents to witness and actively participate in the memorable moments of their child's educational journey.

SMC Decisions: Strengthening Discipline and Enhancing Skills

In our annual report, we are proud to highlight the decisions taken by the School Management Committee (SMC) to maintain proper discipline and enhance the skills of our staff and students. These decisions reflect our commitment to creating a conducive learning environment and fostering holistic development.

Here are the key points:

Strict Actions for Discipline:

Management has implemented strict measures to ensure discipline among both staff and students.

Students are prohibited from riding motor vehicles while commuting to and from school, promoting safety and reducing traffic congestion.

Details of the conveyance used by each student are recorded annually, ensuring proper monitoring and safety.

No Private Tuitions for Teachers:

Teachers are not permitted to engage in private tuitions, emphasizing their dedication and focus on classroom teaching.

This decision promotes fairness, prevents conflicts of interest, and ensures that teachers prioritize their responsibilities within the school.

Digital Skilling Programme:

Management has embraced the Digital Skilling Programme suggested by CBSE (Central Board of Secondary Education).

Teachers have undergone training to enhance their digital skills, enabling them to effectively integrate technology into their teaching methodologies.

This initiative equips our teachers with the necessary tools to create engaging and interactive learning experiences for our students.

Leadership Training Programmes:

Once a year, teachers and council students are selected to participate in Leadership Training Programmes.

These programmes, conducted in the month of September, provide valuable opportunities for personal and professional growth.

By attending these training sessions, participants develop leadership skills, enhance their problem-solving abilities, and gain insights into effective management strategies.

These SMC decisions highlight our commitment to maintaining discipline, embracing digital advancements, and nurturing leadership qualities among our staff and students. Through these initiatives, we strive to create a well-rounded educational experience that prepares our students for success in all aspects of life.
